

We, the Board of Directors, wish to thank you very much for your support of the shelter and the companion animals we care for. We are very grateful for the consistent and enthusiastic support provided by the members of this organization. Do you know the Society will be 60 years old next year (2013)? We couldn't have been so successful nor have gotten this far if it hadn't been for you! That being said, finances continue to be a struggle and some changes in fees are needed.

Friends Forever Humane Society 2012 Community Campaign

March 1, 2012 to September 30, 2012

We Won't "Paws" Until We Meet Our Goal of \$55,000.00

The Friends Forever 2012 Community Campaign begins March 1, 2012 and continues through September 30, 2012. FFHS is entirely dependent on the generosity of its donors and the money received from adoptions and fundraising events to support its mission. Increasing costs and the ever-changing economic conditions plague donation dependent organizations such as FFHS. To help the organization survive, the society is initiating its first annual community fundraising event: **We won't "paws" until we meet our goal.**

Please help us reach our goal, ensuring Friends Forever is able to continue its mission.
